To Whom It May Concern:

RE: Randy Roberts

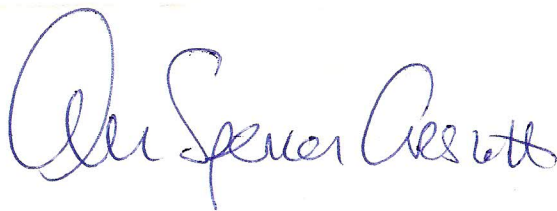

We have had the pleasure of having Randy Roberts working for the Bermuda Red Cross since 1999. We own a property on Berry Hill Road in Paget that has 2 very old Bermuda buildings on it. We have had our share electrical issues over the years and Randy has provided us with first class service.

In that same year we started holding our annual dinner/dance fundraisers outside under tents. Obviously, we required electricity and Randy Roberts handled this event professionally and made himself available for after hours should unforeseen issues arise.

We are extremely pleased to have the services of Randy Roberts and highly recommend him to anyone who asks.

If you should have any questions, please do not hesitate to contact the undersigned.

Kind regards,

Ann Spencer-Arscott, JP
