Ref. Randy Roberts

Jan. 28th, 2010

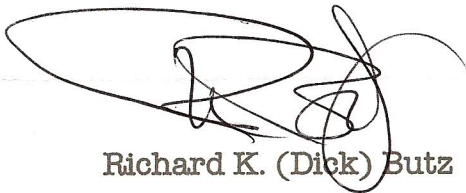

Dear Sir or Madam,

Randy Roberts has been employed by us to do our electrical work since 1994.

We have found his work to be of the highest quality possible.

Mr. Roberts has always attended to our problems in a timely fashion and he has been most amenable to come out in the evenings, weekends or even holidays if the situation required an emergency visit.

His attitude has always been friendly and he has never hesitated to give good solid advice when the situation has called for it and we do not hesitate to recommend him to all of our friends.

A handwritten signature in black ink, appearing to be 'Richard K. Butz', written over a horizontal line. The signature is stylized and somewhat cursive.
